

Wedding Secrets Limited

Website accessibility

Wedding Secrets Ltd want to make sure everyone has access to our website. Our web designer has therefore designed it based around the following guidelines:

- The navigation throughout the site works in a consistent way.
- A standard web font has been used to make it easy for all to read. In most cases, the size of the font can be adjusted according to the users' needs, using standard browser and operating system options.
- All the images are given 'alt text' alternatives except those which are only decorative; the tags for these are left blank.
- We never use colour as the only way to convey information.

If you have difficulty accessing the site or have any comments or feedback, please do not hesitate to contact us. You can call us on 029 2088 2212 Tuesday to Saturday 10.00am-4.00pm or you can email us at emma@weddingsecretsltd.co.uk
